Simply enter the promotional code BUTTERFLY at checkout and our playgroup will receive 90% of the profit from your sale.

**I Love Wooden Toys** is an independent online toy shop. Owner, Sue Roberts, attends Butterfly House with her grand-daughter and has generously initiated this fundraiser for our playgroup.

Funds will go towards new outdoor equipment and towards our larger goal of upgrading the kitchen.

Every product in the online store is included in the promotion. You will find age appropriate recommendations from our Co-ordinators under the 'Butterfly House Fundraiser' tab on the website.

Every sale that uses the BUTTERFLY code will benefit our playgroup. Please encourage your friends and families to support us. It's a perfect time to start your Christmas shopping!
