RIVERLANDS AFTERNOON PROGRAM For 3 Year Old Pre-Kindergarten Students

Rationale

The *Afternoon Program* provides an informal program for Pre-Kindergarten (part-time) students already enrolled in the school and whose parents wish them to attend longer than the five mornings provided.

The Program

The program runs from 12.00pm to 3.00pm Monday to Friday and offers the children the opportunity to rest and have quiet time, as well as participate in a range of developmentally appropriate activities. Mattresses are supplied but children need to bring their own lunch and an optional soft toy.

Parents can choose the number of afternoons the children attend for the term.

When your child is participating in Afternoon Program he/she will be in the care of the Playgroup Co-ordinator or relief staff member. It is possible your child may be supervised by a staff member who is not yet a qualified practitioner however all staff have Working With Children Checks and are supervised by the Principal.

Costs

The cost is by the number of afternoons for the term, excluding pupil-free days and public holidays.

Rate: \$35 for each afternoon. Bookings received prior to the end of the previous term will be charged at \$25.00 per day. Any additional days booked subsequently will be charged at \$35.00 per afternoon.

If you would like your child to participate in the program next term please fill in the slip below and return to the office by the end of term.

I would like my child to be part of the Afternoon Program for pre-kindergarten children at Riverlands Montessori School for Term __ 20__ on the days circled below. I understand the terms and conditions and that I will be billed for each available afternoon for the term.
